

SCOTT HARPER - Bio: Producer, Director, Writer

CASTLEWOOD
YOU'RE SOAKING IN IT

Producer, Director, Writer Scott Harper specializes in social issue, science and character driven documentaries for world markets. Recent collaborators include the CBC, CTV, PBS, History Channel, Discovery, France Televisions, NHK, TLC, Channel 5 and National Geographic.

Last season's documentary *While You Were Sleeping*, for CBC's *The Nature of Things*, has been just nominated in the science journalism category at the prestigious Jackson Hole Science Media Awards.

Harper is currently in production on a feature doc about the intersection of comedy and death, as well as development on a new project about the demise of cars. For more detail: sundaynight.ca
